

Instructions for Request for Premium Processing Service

Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form I-907
OMB No. 1615-0048
Expires 11/30/2025

What Is the Purpose of Form I-907?

Use Form I-907 to request Premium Processing Service on certain petitions or applications where this service is available.

When Should I Use Form I-907?

You should use Form I-907 to request Premium Processing Service for immigration benefit requests for which Premium Processing Service is available. Visit our website at www.uscis.gov/forms/how-do-i-use-premium-processing-service for details about which immigration benefit requests are available for this service.

You may file your request for Premium Processing Service with the applicable benefit request. You may also file the request for Premium Processing Service after you file the applicable benefit request, as long as USCIS has not made a final decision on the request. You cannot request Premium Processing Service for a benefit request that is reopened after an initial decision was made on the request.

You, or your attorney or accredited representative, may request Premium Processing Service only if you filed the corresponding immigration benefit request (for example, Form I-129, Petition for a Nonimmigrant Worker). Any attorney or accredited representative who submits the request must also file a properly completed Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative, unless the attorney or accredited representative has already filed Form G-28 in the case. The Form G-28 filed with Form I-907 by a new attorney or accredited representative will replace Form G-28 or Form G-28I filed with the underlying benefit request, and USCIS will recognize the new attorney as the attorney of record in the case.

Premium Processing Service guarantees that USCIS will take one of several possible actions (issue an approval notice, a denial notice, a notice of intent to deny, or a request for evidence) on the immigration benefit request within a certain processing timeframe. The length of the processing timeframe is based on the classification or category requested. Refer to the table in the **What Is the Filing Fee and Processing Time?** section of these Instructions for the relevant premium processing timeframes. If we do not take action on the benefit request within the applicable processing timeframe, your Premium Processing Service fee will be refunded, but we will continue to process the case. However, we may retain the premium processing fee and not take action on the request within the applicable processing timeframe if we open an investigation for fraud or misrepresentation relating to the benefit request.

In the event USCIS issues a notice of intent to deny or a request for evidence, the premium processing timeframe will stop and will re-commence with a new applicable timeframe on the date that we receive a response to the notice of intent to deny or the request for evidence.

General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have Internet access, you may call the USCIS Contact Center at **1-800-375-5283** and ask that we mail a form to you. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

Signature. Each request must be properly signed and filed. For all signatures on this request, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the request on your behalf. A legal guardian may also sign for a mentally incompetent person.

NOTE: If Form I-907 does not contain a handwritten signature, we will return the request for Premium Processing Service (along with the Premium Processing Service fee) to the requestor.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of the original, handwritten signature valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten, ink signature.

Filing Fee. Each request must be accompanied by the appropriate filing fee. (See the **What Is the Filing Fee** section of these Instructions.)

How to Fill Out Form I-907

You must fill out a separate Form I-907 for each petition or application submitted. Follow the steps below to complete your request.

What Is the Filing Fee and Processing Time?

The following benefit requests are designated under the regulations for Premium Processing Service. Please be aware that **you may only request premium processing for a benefit if USCIS has announced on its website that premium processing is available** for that benefit. Your request for premium processing must also comply with any conditions that may apply. Therefore, you may not request premium processing for a benefit that is designated for premium processing under the regulations but not available for premium processing on the USCIS website. To determine if Premium Processing is available for your benefit request, please visit our website at www.uscis.gov/I-907 or call the USCIS Contact Center at **1-800-375-5283**. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

The Premium Processing fee is in addition to all other applicable filing fees. Form I-907 may not be filed by a beneficiary or co-applicant of the primary form for which premium processing is being requested.

You must pay for Premium Processing Service with **a separate check or money order or with a credit card by submitting USCIS Form G-1450**, Authorization for Credit Card Transaction. (For example, one check, money order, or G-1450 attached to the relating petition or application, and one check, money order or G-1450 attached to Form I-907).

NOTE: USCIS will only refund the filing fee if we do not take action on the related case within the applicable processing timeframe. Otherwise, the filing fee is not refundable, regardless of any action USCIS takes on this request. **DO NOT MAIL CASH.** You must submit all fees in the exact amounts.

Use the following guidelines when you prepare your check or money order for the Form I-907 filing fee:

1. The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; **and**
2. Make the check or money order payable to **U.S. Department of Homeland Security**.

NOTE: Spell out U.S. Department of Homeland Security; do not use the initials “USDHS” or “DHS.”

Notice to Those Paying by Check. If you send USCIS a check, we will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as unpayable, we will re-submit the payment to the financial institution one time. If the check is returned as unpayable a second time, we will reject your request and charge you a returned check fee.
